

## Technology Services to Assist You

### Online Auctions

- **Anywhere Auctions**

The Anywhere Auctions platform streams Australian property auctions online and lets buyers bid from the comfort of their own homes. Buyers never have to miss an auction because of time or distance again. What's more their start to end service lets buyers research, watch and bid on auctions, as well as complete the purchase through electronic contract signing.

For more information visit: [Anywhere Auctions](#) or contact Garry Giritharan on 0439 493 504

### Property Marketing

- **Listing Loop**

Listing Loop streamlines the typical process of searching for a home. Buyers can now be instantly alerted in real time about matching properties they're looking for putting an end to wasted search time. Agents can sell more properties faster. Access a game-changing no buyer, no fee advertising platform that kickstarts property marketing to a pre-registered database of qualified ready buyers.
